## JUNE UPDATE

### FIELD AVAILABILITY

We have now received further details of sports events taking place in the next few weeks.

On Sunday 16<sup>th</sup> and Saturday 29<sup>th</sup> June there will be all-day tournaments at the field, so we will be unable to fly.

A separate series has also been booked for all Sundays for the next 7 weeks, starting at 1.00pm and ending at 7.00pm, so flying will be restricted to mornings only.

### HANWELL CARNIVAL – SATURDAY 15<sup>th</sup> JUNE

Just a reminder that we need models for static display and personnel to man the stand.

We will need to finish setting up by 11.30am, after which all cars will have to be off site. We will have parking tickets for 3 cars.

### QPR UPDATE

Since the last newsletter, we have learned that Hanwell Community Forum has commenced legal proceedings against LBE.

A report in the Evening Standard suggests that this could delay the works pending the outcome of legal proceedings.

The Evening Standard article can be found at :-

<http://www.standard.co.uk/news/london/qprs-planned-30m-training-ground-delayed-by-legal-action-8646891.html>

Or, more easily, just search for QPR in Google News.
