WARREN FARM DEVELOPMENT UPDATE

We have learned today that Queens Park Rangers FC have been selected as the preferred bidder for a 200 year lease of Warren Farm Sports Centre.

Jonathan Kirby (LBE Assistant Director of Major Projects) has advised us of this decision, and he will be arranging for us to meet with QPR and their Community Sports Team in the near future do discuss how we can ensure that model flying continues at Warren Farm.

The BMFA London Area have been informed, and it is our understanding that a representative from BMFA Head Office will be assisting with these negotiations.
