Dear Warren Farm Radio Flyer,

This is to confirm that the mown area of Warren Farm Sports Centre is not mown or intended for general use as a rest or picnic area. It is mown as part of a paid licence agreement between the London Borough of Ealing and Warren Farm Radio Flyers, for use as a runway for their model flying activities. They have been using the site since 1997.

Warren Farm Radio Flyers have no issue with the general public using the mown area whenever club members are not on site, however flying is not possible when the people are on the mown area. Please cooperate with the club members by moving to the South-West border of the mown runway (the side nearest to Windmill Lane) as directed when asked to do so.

You are welcome to stay with us and enjoy the model flying display as a spectator.

Yours faithfully,

Chris Bunting
Assistant Director
Leisure
