

WARREN FARM RADIO FLYERS **WFRF**

A few new models at the 2024 Village Day.

AUGUST AT WARREN FARM

NORWOOD GREEN VILLAGE DAY

Our efforts at Norwood Green Village Day attracted a lot of attention, including a visit by a councillor from another ward. Sadly, our own councillors were unable to visit, however we were able to meet with Deidre Costigan MP, newly elected to serve as the Member of Parliament for the Ealing-Southall constituency.

We expressed our concern that, since the latest plans for Warren Farm were made public in February, we had been excluded from all discussions about the development, and how it would affect the club's activities. Ms. Costigan has promised to bring this to the attention of those at LBE who are dealing with this.

NORWOOD GREEN RESIDENTS ASSOCIATION

Village Day is organised and funded by the Residents Association, a hard-working group of local volunteers. Their website not only includes photos of our display, but also a link to the WFRF website. This is about the only publicity that our club is offered.

Their website is well worth a visit – <https://norwoodgreenresidents.org/>.

Membership of the group is only £10 per year. If you would like to support them, joining details are on the website.

FIELD CONDITION

The runway has been mown in the past week, and is in superb condition. Many thanks to John and the team at Greener Ealing.
